

WESTERLY MANAGER SEEKS REDRESS

Musical Comedy Company Offered Better Terms by Rival House and Breaks Agreement—Harry B. Joy President of Lincoln Highway Commission—Local Laconics.

Although many who entertain in play houses have ubiquitous tendencies they have not yet been able to play that part successfully, therefore the announcement that the Marcus Musical Comedy company were to hold forth in the Bliven Opera house in Westerly and the Central theatre in Pawtucket, at the same hours was somewhat puzzling. This company filled a week's engagement at the Bliven last week, and as early as Thursday it was publicly announced that the company was to continue at the same place during the present week. The playing was on a percentage basis last week and the same plan was to prevail during the present week agreement to that effect having been entered into between Manager Marcus and Manager Kelly of the Bliven.

Another Norwich Case

It Proves That There's a Way Out for Many Suffering Norwich Folks.

Just another report of a case in Norwich. Another typical case. Kidney ailments relieved in Norwich with Dean's Kidney Pills.

Mrs. Roland Ockery, 262 Franklin St., Norwich, says: "Pains in the small of my back caused me great suffering. Whenever I stooped, sharp twinges darted through my body and I was handicapped in doing my housework. I felt miserable when I began using Dean's Kidney Pills, procured from N. D. Sevin & Son's Drug Store. Their good effect was soon noticeable and I continued taking them until the trouble was removed."

NO MORE TROUBLE.

Some years later Mrs. Ockery said: "You may continue to publish my former statement praising Dean's Kidney Pills. They cured me of kidney trouble and I have been in good health since. Others of my family have taken this remedy with good results."

Price 50c at all dealers. Don't simply ask for a kidney remedy—get Dean's Kidney Pills—the same that Mrs. Ockery had. Foster-Milburn Co., Props., Buffalo, N. Y.

These chairs had already been marked down to \$4.50, but to make the clearance faster we have made another cut which should speed the sales considerably. Why "Suffer-Yet" With "GETS-IT"? They'll Vanish!

have tried other things by the score and will now try "GETS-IT" you will realize this glorious fact.

You probably are tired sticking on tape that won't stay stuck, plasters that shift themselves right onto your foot, contraptions that make a bundle of your toes and press right down on the corn. Put two drops of "GETS-IT" on that corn in two seconds. The corn is then doomed as sure as night follows day. Truly, if you think this sounds too good to be true, try it tonight on any corn, callous, wart or bunion.
